INT. ASSEMBLY HALL

Cathedral-like.
Four stories high.
Candles are used to augment minimal electric light.
The assembled prisoners move into position --
Hang from railings...
Smoke.
A prisoner population of 25 men.
All are present.
Lean, hard looking, of all ages...
No fatties.

SUPERINTENDENT HARRY ANDREWS -
Late-forties, solid build, shaved head, seated at the center...

AARON -
Andrews' general factotum...Aaron's in his early-thirties, a big, beefy, top-Sargeant type...

CLEMENS -
Some distance away...his face reflects the somber mood of the room's assemblage.
PRISONER DILLON

Steps to the middle as all the prisoners rise and strike a reverent attitude.
JUNIOR steps back...
Dillon is bald like the others...
Wire rimless glasses.
Clearly a leader.

DILLON
Give us strength, Oh Lord, to endure.
Until the day. Amen.

The prisoners all raise their right fists...

GROUND LEVEL

Andrews clears his throat --

ANDREWS
Thank you gentleman -- This is rumor control. Here are the facts. As some of you know, a 337 model E.E.V. crash landed here at 0600 on the morning watch. There was one survivor. Two dead and a droid that was hopelessly smashed beyond repair. The survivor is a woman.

Mumbles among the prisoners.
MORSE -- late-twenties, tight-jawed, gold teeth -- steps out of the pack -- confronts Andrews...

MORSE
(agitated)
I just want to say that I took a vow of celibacy. That means no women. We all took the vow.

Dillon steps in front of Morse, a gesture of restraint...

DILLON
What brother means to say is... we view the presence of any outsider, particularly a woman, as a violation of the harmony, a potential break of the spiritual unity.

ANDREWS
We are well aware of your feelings in this matter. You will be pleased to know that I have requested a rescue team. Hopefully, they will be here inside of a week and evacuate her A.S.A.P.

(to Clemens)
What's her medical status?
All eyes turn to Clemens.

**Clemens**
She doesn't seem too badly damaged.
She is unconscious. Difficult at the
moment to make a specific diagnosis.

**Andrews**
Will she live?

Clemens considers the question.

**Clemens**
Yes. I should think so.

Pursing his lips, Andrews glances back at Dillon.

**Andrews**
Look, none of us here is naive.
(pause)
It's in everybody's best interests if the
woman doesn't come out of the
Infirmary until the rescue team
arrives. And certainly not without an
escort. Right? So we should all stick
to our set routines and not get unduly
agitated. Correct? All right. Thank
you, gentlemen.

Nobody moves.

**Dillon**
Okay.

He gives a signal and the assemblage breaks up...
Dillon stops Clemens.

**Dillon**
Pill pusher. You should be careful of
this woman.

**Clemens**
I happen to believe we owe all God's
children a fighting chance.

**Dillon**
Right. Except we don't exactly know
whose child she is...and no one is
exactly beyond temptation.

**Junior**
(big smile)
That's right. That's right.

**INT. INFIRMARY**
Ripley lies still on a cot.
Clemens at her side. There's an IV pack taped to her arm. Across the way, Andrews and Aaron stare at her. Prisoner KEVIN stands in the background.

ANDREWS
What's her status, Mr. Clemens?

CLEMENS
No change.

ANDREWS
Thank you, Mr. Clemens. That's very helpful. You will keep me informed.

He and Aaron stride out of the room, as Clemens checks her vital signs... On a table beside the cot, he finds another syringe with clear liquid... Prepares to give her an injection. Ripley's eyes snap open.

RIPLEY
What's that?

Clemens is surprised, but tries not to let it show.

CLEMENS
A light cocktail of my own mix. Sort of an eye opener.

RIPLEY
Are you a doctor?

CLEMENS
I've only got a 3-C rating. But I'm the best you're going to find around here... I really ought to shave your head.

Lifts a razor. Startled, Ripley sits bolt upright on the cot, pulling the sheet around her.

CLEMENS
Lice. Big problem here. I'm afraid. When your hand is steadier you can attend to your private parts yourself.

Pause.

CLEMENS
My name is Clemens. I'm the Chief Medical Officer here at FURY 161. One of Weyland Yutani's backwater work prisons, it grieves me to say.
RIPLEY
How did I get here?

CLEMENS
You rode down on an EEV. Evidently separated from your mothership before you hit our atmosphere. I've no idea how long you were in hypersleep - coming down the way you did can be a jolt to your system.

RIPLEY
I'll be sick for two weeks if I decompressed too fast.

CLEMENS
Yes. Quite nauseous.

RIPLEY
What about the others?

CLEMENS
I'm afraid they didn't make it.

This sinks in.

CLEMENS
Would you like the physical details?

RIPLEY
I have to get to the ship.

CLEMENS
You're in no condition for that.

She stands. Buck naked.

RIPLEY
You want to get me some clothes, or should I go like this?

CLEMENS
Given the nature of our indigenous population, I would suggest clothes.

He turns and opens a closet.

CLEMENS
None of them has seen a woman in years. Neither have I for that matter.

INT. STAIRWELL - CONE OF SILENCE

A now fully-clothed Ripley and Clemens. Prisoner GREGOR passes them in the corridor...
RIPLEY
How come you know my name?

Clemens
It's stenciled on the back of your shorts. We also found your dog tags.

INT. CONE OF SILENCE

Prisoners WILLIAM, ARTHUR, VINCENT, CHRISTOPHER and Ed are lowering the E.E.V. via a huge overhead crane.

Clemens
Originally the whole place was a mineral ore refinery -- Fifty years ago it was re-cycled into a toxic dump. The prisoners make lead sheets to seal off any leakage in the shafts -- we don't really get many shipments -- Weyland-Yutani's got the facility on hold.

RIPLEY
No women prisoners?

Clemens
This is a double Y chromosome facility. All of them rather nasty fellows. No women allowed.

Great.

RIPLEY

Clemens
This used to be a thousand man facility, but we're down to twenty-five - the Company just keeps the operation on pilot light.

Ripley takes a deep breath and crawls into:

INT. E.E.V.

Everything is smashed, wrecked...
In the very cramped quarters, Ripley finds a place to kneel. Clemens follows her inside.

RIPLEY
Where are the bodies?

Clemens
We have a morgue. We've put them there until the investigative team arrives, probably in a week's time.

RIPLEY
There was an android...
30 CONT.

Clemens
Disconnected. There were pieces of
him all over the place. What’s left of
him was thrown in the trash. The
Corporal was impaled by a support
beam. He never knew what hit him.
The little girl drowned in her cryo-
tube. I don’t think she was
conscious... I’m sorry.

She struggles for control.
Impossible.
Her eyes fill with tears.
Eyes brimming, Ripley spots the remains of Newt’s cryotube.
Faceplate is broken.
Probably happened in the crash.
There’s a strange discoloration on the metal below the faceplate.
She leans forward, running her fingers over it...

Ripley
You checked her over?

Clemens
What is it?

Ripley
Where is she?

Clemens
I told you. The morgue. You are
disoriented. Half your system is still in
hyper-sleep --

Ripley
I want to see what’s left of her body.

Clemens
What do you mean, what’s left? The
body’s intact.

Ripley
It is? I want to see it.

31 INT. MORGUE - STEPS LEADING DOWNWARD

Clemens leads Ripley along the circular stairwell. Prisoner
Kevin walks in front of them.

Clemens
Any particular reason you’re so
insistent?

Ripley
I have to make sure how she died.

Clemens
She drowned.
31 CONT.

RIPLEY

You're sure?

CLEMENS

Why do you ask? Was she your daughter?

RIPLEY

No, a friend. Look, she was very close to me. It's important.

32

INT. MORGUE - MAIN FLOOR

Along one wall, floor to ceiling, stainless steel cabinets. The floor is corrugated tile, chipped and cracked by time. A drawer is pulled from the wall --

THE DRAWER

Has a drain at its center. Collapsible sides. They both look down at Newt's body.

RIPLEY

Give me a moment.

Clemens steps away.

RIPLEY

Goodbye, baby.

She touches Newt's face... Ripley closes her eyes. A moment of silence. Then turns back to Clemens.

RIPLEY

We need an autopsy.

CLEMENS

You're joking.

RIPLEY

I told you - we have to make sure how she died.

CLEMENS

And I told you - it's quite clear that she drowned.

RIPLEY

It may have been something else.

What?
RILEY

Cholera.

CLEMENS

You can’t be serious. There hasn’t been a case reported in 200 years.

RILEY

Yeah? Well, I was part of the combat team that nuked Archeron. That was one of the reasons.

CLEMENS

We don’t get much news out here, but even we would have heard about that.

RILEY

Really? I guess you don’t work for the same company I do.

A pause.

Clemens lifts an electric saw.
Makes an incision in Newt’s chest from the top of her throat to the bottom of her sternum.
He places his hands on either side of the incision.
Taking a deep breath, Clemens pries open Newt’s cavity.

CLEMENS

We have nothing unusual. Everything in place. No sign of disease. No sign of any contagion.

Now makes a cross-lateral incision.

CLEMENS

Still nothing. Satisfied?

She turns away.

CLEMENS

Now, since I’m not entirely stupid, do you want to tell me what you’re really looking for?

A door smashes open.
Andrews and Aaron enter.

Mr. Clemens.

CLEMENS

Superintendent.

CLEMENS

I don’t believe you’ve met Lieutenant Ripley.
ANDREWS
What's going on, Mr. Clemens?

CLEMENS
First, Lieutenant Ripley is feeling much better, I'm happy to say. Second, in the interests of public health, I'm conducting an autopsy.

ANDREWS
Without my authority?

CLEMENS
There didn't seem to be time, but it's all turned out all right, the body shows no signs of contagion.

ANDREWS
Good. But it might be helpful if Lt. Ripley didn't parade around in front of the prisoners, as I am told she did in the last hour. It might also be helpful if you kept me informed as to any change in her physical status. Or would that be asking too much?

Aaron staring at Newt's body.

AARON
The prisoners believe defiling a body is a sin...

ANDREWS
(to Ripley)
Yes. When one of our prisoners dies, they want the body whole, so he can be resurrected during the coming apocalypse.

RIPLEY
But they wouldn't object to outsiders being cremated?

ANDREWS
It would be fine with them -- but I'm afraid I would object. It would look bad on my report. We'll keep the bodies on ice until the rescue team arrives.

RIPLEY
There is the public health issue.

Looks at Clemens.
CLEMENS
Lt. Ripley feels that there's the possibility of a communicable contagion.

ANDREWS
I thought you said there was no sign of disease.

CLEMENS
I think it would be unwise to tolerate even the possibility of an unwanted virus. An outbreak would look very bad on your report, wouldn't it?

An unhappy Andrews turns to Ripley.

ANDREWS
We have twenty-five prisoners in this facility. All double Y chromosomes, all thieves, rapists, murderers, forgers, child molesters...all scum. But scum that have taken on religion. I, for one, don't think that makes them any less dangerous. So I try not to offend their convictions. I don't want to disturb the order. I don't want ripples in the water. And I don't want a woman walking around giving them ideas.

RIPLEY
Yes. Obviously for my own personal safety.

ANDREWS
Exactly.

The two lock eyes -- then Andrews turns back to Clemens.

ANDREWS
I will leave the details of the cremation to you, Mr. Clemens.

INT. ABATTOIR - STALLS

Shiny, tiled walls.
Stalls and pens containing live chickens, goats, lambs, oxen, rabbits...
Behind a screen across the way -- various cuts of meat, chicken, lamb, etc., hang from rusted hooks in the arctic gloom...
Row upon row of razor sharp knives line a wall by the door.
Two prisoners, FRANK and MURPHY, lurch into the room, pushing the dead ox on a rusted ore-cart.

MURPHY
I mean if you got a chance - what would you say to her?
FRANK
What do you mean, if I got a chance?

MURPHY
You know, if you got a chance. You take a dumb pill or something?

FRANK
Just casual you mean?

MURPHY
Yeah. How would you put it to her - you know, if you ran into her in the mess hall or something.

They manage to get the dead beast out onto the floor -- Wrap chains around the animal's back legs and begin to winch it overhead.

FRANK
No problem. Never had any problem with the ladies. I'd say 'good day, my dear, how's it going, anything I could do to be of service?' - then I'd give her the look, you know, up and down...give her a wink, nasty smile, she'd get the picture.

MURPHY
Right. And she'd say 'kiss my ass you horny old fucker.'

FRANK
I'd be happy to kiss her ass. Be happy to kiss her anywhere she wants.

MURPHY
Yeah, but treat 'em mean, keep 'em keen - right, Frank?

FRANK
Treat the queens like whores, the whores like queens. Can't go wrong.

They pull the beast higher, then to a full stop as it swings on the thick chains.

Frank?

Yeah?

MURPHY
What do you think killed Babe?
33 CONT.

FRANK
Beats me. Just keeled over.

MURPHY
How old was she?

FRANK
Charts say eleven. In the prime. Chop her up, later, we'll throw her in the stew.

MURPHY
Right.

34 INT. LEAD WORKS

Prisoners TROY, MARTIN, DAVID, Morse, and Arthur working; oxen pulling ore carts from underground tunnels.

DAVID
You goin'?

MARTIN
Nothin' to do with us.

TROY
Dillon gonna be there?

Dillon appears -- Junior at his side.

All eyes turn...

DILLON
Shut it down.

The fires are immediately banked.

DILLON
We're all goin'. We show our respect. They want to burn bodies, fine by us, long as it isn't one of us.

He moves off...

JUNIOR
That's right. Long as it isn't one of us.

The others follow.

35 INT. LEAD WORKS - BLAST FURNACE

An immense space located in the bowels of the operation. Vaguely rectangular, the room is carved out of the very rock of the planet. In the center, there's an enormous pit. Flames are visible over beveled edges descending to the depths. On one wall, a series of ducts and fans control oxygen flow into the furnace area.
Cranes on tracks running up and down the room can be loaded or unloaded from catwalks above the pit.

TWO PRISONERS

Stand on a crane, a short distance from the fire in the pit. Rippling heat rises from the floor below. The prisoners hold between them two canvas bags, one containing Newt's body. One containing Hicks' remains. Below them --

RIPLEY

stands on a catwalk beside Clemens, looking at the two prisoners on the crane. Aaron, Dillon, and several other prisoners are behind her. To her right, Andrews opens a book and begins to read:

ANDREWS

We commit this child and this man to your keeping, O Lord. Their bodies have been taken from the shadow of our nights. They have been released from all darkness and pain...

BELOW THE CATWALK

A small claustrophobic space cramped with iron pipes, levers and pulleys. Prisoner Troy, sweating profusely, starts opening valves for all he's worth. On a panel before him, gauges start to move. Pressure builds. A dial to his right... Troy moves the lever to the second position. Dials on the panel head for the red zones...

THE WALL

of the furnace, as giant air-ducts slide open... Huge fans force air into the chamber.

IN THE PIT

Now combined with oxygen, the methane flame rises. Getting hotter and hotter... Blitzes through the spectrum, going from red to white-hot.

ON THE CATWALK

Ripley starts to quietly cry. Tears run freely down her face. Clemens watches her closely. Still reading, Andrews raises his voice;
ANDREWS
The child and the man have gone beyond our world. They are forever eternal and everlasting...ashes to ashes, dust to dust.

INT. ABATTOIR - THE DEAD OX
Seemingly begins to dance crazily.
Grotesque.
Something inside the ox trying to break free...

CATWALK
Dillon shoulders his way through the others - stares out at the flames.

DILLON (O.S.)
Why are the innocent punished? Why the sacrifice? Why the pain?

Andrews puts down the book.
Looks over to Dillon, who has, seemingly uninvited, taken over the service.

DILLON
There aren't any promises. Nothing's certain. Only some get called. Some get saved.

IN THE FURNACE
the fire rages...

ON THE CRANE
reeling from the heat, the two prisoners reach their breaking point.
Hurling the two canvas bags into the pit, they beat a hasty retreat.

ON THE CATWALK
weeping freely, Ripley watches what used to be Newt and Hicks disappear into the inferno.
Impulsively, she takes Clemens' arm for support.
He gives it freely.
Dillon keeps reading:

DILLON
She won't ever know the hardship and grief for those of us left behind. We commit this body to the void with a glad heart...
on the table, the ox's body is stretched and distorted.
Suddenly, in a moment of carnal frenzy --

A CHEST - BURSTER
explodes from the ox's thorax.
Rockets out of the carcass and tumbles to the floor.

This thing has four legs, Alien head and drooling mouth.
Like a horrifying fawn, it struggles to get legs under it.
Wobbles round the room.

DILLON (OS)
Within each seed there's the promise of
a flower. And within each death, no
matter how small, there's always a new

Struggling upright, the baby creature gurgles...
Clatters across the floor and disappears into an air-duct.

IN THE GALLERY
Above the furnace...
Ripley can no longer maintain.
A nervous gesture to her hair.
Another to her ear.
Now scratches her head, despite the tears.
Scratches again.
Looks at her hand.
Recoils.
Looks over to Clemens...

INT. BUG WASH
Ripley in a stall.
Her face appears in a mirror, above a steaming basin.
She studies her appearance.
Now bald.

CHEMICAL SHOWER
Ripley standing in the hard spray amid the swirling steam...
Chin high.
Eyes shut.
An act of purification.

OUTER BUG WASH DOOR
Clemens stands guard.
INT. MESS HALL

The prisoners eating -- making jokes, small talk. Andrews and Aaron at small table, off by themselves.

TABLE - MESS HALL

Prisoners GOLIC, BOGGS and RAINS eating. Each with a sullen look...
Dillon sits down at their table.

DILLON
Okay. You guys want to tell me what the problem is?

No response.

DILLON
Speak to me, brothers.

RAINS
All right, I'll tell you. I don't mind the dark, I don't mind the bugs. I don't mind wandering around in some cold, wet damp tunnel for a week at a time, I don't mind anything. But I mind Golic.

DILLON
(to Boggs)
That the way you feel about it?

BOGGS
Yeah. The man is crazy. And smells bad. I ain't goin' out with him anymore.

DILLON
(to Golic)
You got anything to say for yourself?

Golic shrugs, grins like an idiot.

DILLON
(to Rains and Boggs)
He is going with you. You have a job to do. You will learn not to mind Golic, he is another poor, miserable, suffering son-of-a-bitch like you and me.

RAINS
Except he smells worse.
And he's crazy.

DILLON
You have a job. You are foragers.
You are meant to find abandoned
provisions and equipment. You do this
to help your fellow prisoners. You do
this to prove your loyalty to me. I
don't want to hear another word about
Golic.

He looks up.

RIPLY
Enters...
The entire room goes silent.
She takes some combbread from a basket on one of the tables...
All eyes riveted on her.
She spots Dillon.
Moves to his table...

ANDREW'S TABLE
Andrews watches Ripley as she moves to Dillon.
Not a happy look on Andrews' face.
He turns to Aaron.

ANDREW'S
As I thought, Mr. Aaron. As I
thought...

DILLON'S TABLE
As Ripley arrives.
Stands opposite Dillon...
He stares straight ahead.
Doesn't acknowledge her presence.

RIPLY
I wanted to thank you for your words
at the funeral. They helped...

He finally turns to her --

DILLON
You don't wanna know me. I am a
murderer and a rapist. Of women.

RIPLY
Really. I guess I must make you
nervous.

A moment.
Then Dillon smiles.
DILLON
Do you have any faith, sister?

RILEY
Not much.

DILLON
We got lots of faith here. Enough even for you.

RILEY
I thought women weren't allowed.

DILLON
We never had any before. We tolerate anybody. Even the intolerable.

RILEY
Thank you.

DILLON
That's just a statement of principle. Nothing personal. We got a good place here to wait. Up to now, no temptation.

RILEY
Wait for what?

DILLON
We are waiting for God to return and raise his servants to redemption.

A moment as they stare at one another - she turns and moves off.

INT. ASSEMBLY HALL

Ripley and Clemens seated at ground level. Prisoner Martin lurks in the background. Clemens pours Ripley a short whisky.

CLEMENS
Dillon and the rest of them got religion, so to speak, about five years ago --

RILEY
What kind of religion?

CLEMENS
I don't know -- some sort of millenarian apocalyptic Christian fundamentalist brew...

RILEY
Great.
Exactly. The point is when the Company wanted to close down the place, Dillon and his converts wanted to stay. It was decided to leave the pilot light on. The zealots stayed as the custodians -- with two minders and a medical officer. And here we are.

RIPLEY

How did you get this wonderful assignment?

CLEMENS

I know you'll find this hard to believe, but it's actually much nicer than my previous posting.

He gestures...

CLEMENS

How do you like your hair cut?

RIPLEY

(rubs her head)

Weird.

CLEMENS

Now that I've gone out on the limb for you with Andrews, damaging my already less than perfect relationship with that good man, and briefed you on the hum-drum history of FURY 161, how about you telling me what were you looking for in the girl? And why was it necessary to cremate the bodies?

Pause.

RIPLEY

Are you interested in me?

In what way?

CLEMENS

In that way.

RIPLEY

You are rather direct.

Yes. I've been out here a long time.

CLEMENS

Yes. So have I.

He swirls his drink -- looks at her.
INT. VENTILATION SHAFT

An enormous fan with razor sharp blades is going full bore...
Fills the air-duct with warm air and soot.
Murphy is cleaning the passageway, chipping away carbon deposits, scrubbing down the walls.
He whistles as he works, doesn't like the job much...
Stopping, Murphy spots something in the dark of the air-duct.
Kneeling, he checks it out.
Looks like a reptile's skin.
Holding his broom, he stretches it out.
Approximately the size of a small deer...
Weird.
He starts whistling again - hears something in the darkness to his left.
Stopping, he sees a recessed storage area built into the wall of the air-duct...
A gurgling sound is coming from inside.
Curious, Murphy moves closer.
Stopping before the recessed area, Murphy peers inside.

THE ALIEN

still fawn-like, but growing...
Murphy is rooted to the spot.
Time stops for a second.
Suddenly, the creature --

SPITS ACID

in Murphy's eyes.
Clawing at his face, flesh pealing away from his cheeks.
Murphy reels backwards.
Smoke pours through his fingers.
Screaming, he slams into a wall and staggers backwards into--

THE FAN

which rips him to pieces.
In the blink of an eye, the walls of the Air-duct are splattered with his remains...
The fan CLANGS to a ringing stop as Murphy's skull fouls the blade.

INT. CLEMENS' QUARTERS

Ripley lies under the sheets on a small cot.
Clemens, across the way, lights a cigarette and pours himself another small whisky...

Like a drink? CLEMENS
Sure. Pour me one.

He does.
Clemens' back now turned, without his cowl for the first time --
Ripley can see clearly etched into the back of his head a bar code.

**Clemens**

I am deeply appreciative of your attentions but I realize they deflected my question. In the best possible way of course...

He hands her a glass.

**Ripley**

You're spoiling the mood?

**Clemens**

One does have a job to do. I'd like to know why you were so insistent on having the bodies cremated.

**Ripley**

I get it -- now that I'm in your cot, you think I owe you an answer.

**Clemens**

No, you owe me an answer and being in my bed has nothing to do with it.

**Ripley**

In hyper-sleep I had a bad dream... I don't want to discuss it. I just had to be sure what killed her -- I made a mistake...

**Clemens**

Yes, possibly.

**Ripley**

Maybe I made another mistake.

**Clemens**

How's that?

**Ripley**

Fraternizing with the prisoners. Physical contact. That's against the rules, isn't it?

**Clemens**

Definitely. Who was the lucky fellow?

**Ripley**

You, dummy.
46 CONT.

Clemens

What makes you think I'm a prisoner?

Ripley

The bar code on the back of your head.

Clemens

I suppose that does demand an explanation. But I don't think this is the moment. Sorry -- we are rather spoiling things, aren't we?

Buzz.
Intercom.

Clemens

Aaron (V.O.)

Clemens moves to the speaker...

Clemens

Yes, Mr. Aaron.

Aaron (V.O.)

Andrews wants you to report to Ventshaft Seventeen on the Second Quadrant. A.S.A.P. We've had an accident.

Clemens

Something serious?

Aaron (V.O.)

Yeah. You could call it that. One of the prisoners got diced.

Click.
Clemens turns back to Ripley --

Clemens

I'm sorry...I have to go. Official duties.

Ripley

Maybe I should come.

Clemens

Best not to -- I don't think your presence will be appreciated by Superintendent Andrews. I'll be back.

As he turns away...

Ripley

Not looking very happy.
INT. VENTILATION SHAFT

Kneeling on the floor, Clemens examines the remains of Murphy. Prisoner JUDE is mopping up. Dillon, Gregor and Junior stand to one side. There is precious little to look at. The fan's been shut down. Andrews and Aaron look on grimly.

AARON
He was a flake...I gave him the assignment.

ANDREWS
No apologies, Mr. Aaron. It wasn't your fault.

Clemens glances up at Andrews:

CLEMENS
Not really much to say, is there? Death was instantaneous.

AARON
No shit.

ANDREWS
I take it he was pulled into the fan?

CLEMENS
A sudden rush of air I would imagine, except...

AARON
Right...almost happened to me once...four years ago...I always tell people...keep an eye out for the fans. Nobody listens.

CLEMENS
Except the fan was blowing.

Clemens stands, studying the inside of the air-duct. Moving closer to the recess in the wall, he notices it for the first time. Slowly, he looks inside. Empty. There's something running down the wall. Something appears to have been spilled over the edge of the recess.

ANDREWS
What's that?

CLEMENS
I really don't know...

Andrews pins Clemens with his gaze. Clemens look away.
Instantly, Andrews is suspicious...

**ANDREWS**
I want to see you in my quarters in
say...thirty minutes. If you please, Mr.
Clemens.

He shepherds the others out of the air-duct.
Alone, Clemens considers the grizzly scene before him...
Returns his attention to the corrosive burn.

**INT. E.E.V. - CONE OF SILENCE**

Ripley rummages through the cramped space, moving debris,
looking for something.
Beneath some smashed and decimated equipment, secured within
the bulkhead, she finds what she's after.
Above a seal on the wall in bold letters, she reads:

**FLIGHT RECORDER**
**DO NOT BREAK SEAL**

Wiping sweat from her eyes, she breaks the seal on the
container.
A modular black box appears from beneath the seal.
She prys open a plate on the black surface and presses a button.
She can see pulses on a meter in the box's face.
Flight recorder still operational.
Shutting it off, she puts it on the floor beside her.
She studies the carnage in the cramped confines...
Clemens appears, peering through the hole in the bulkhead:

**CLEMENS**
You know, wandering about without
an escort is really going to piss
Superintendent Andrews off...

**RIPLEY**
What about the accident?

**CLEMENS**
Very bad. One of the prisoners has
been killed.

**RIPLEY**
How?

**CLEMENS**
Airshaft. Poor silly bastard backed
into a six foot fan.

Pause.
48 CONT.

CLEMENS

I found something at the accident site -
- just a bit away from where it
happened -- A mark, a burn...much
like the one you found on the girl's
cryotube.

Ripley just stares at him.

CLEMENS

I'm on your side. I want to help. But
I'd like to know what's going on, or at
least what you think is going on.

RIPLEY

(re: box)

I'm going to find out what happened
here in the E.E.V., why we came
down. If you really want to be
helpful, find me a computer with audio
capabilities so I can access this flight
recorder.

CLEMENS

We don't have anything like that here.

RIPLEY

What about Bishop?

Bishop?

CLEMENS

RIPLEY

The droid that crashed with me.

CLEMENS

I'll point you in the proper direction.
I'm afraid I can't join you. I have an
appointment.

INT. CANDLE STORE-ROOM

Prisoner LAWRENCE is helping Golic, Boggs and Rains load
candles into over-sized backpacks.
They are preparing to explore and forage among the abandoned
mine shafts beneath the planet's surface.

LAWRENCE

There you are -- this'll top you off.
Golic, don't fidget about. What's all
this damn food you've got in here --
it's not properly wrapped.

Golic is stuffing food in his mouth.
BOGGS
What the hell does he ever do right?

RAINS
Eat. He's got that down pretty good.

Dillon, Gregor and Junior appear in the doorway.

DILLON
Golic?

Golic?

Yeah?

DILLON
Light a candle for Murphy, will you?

Golic
I'll light a thousand...

Golic and his two companions move off...

50
INT. ANDREWS' QUARTERS

Clemens and Andrews seated across from each other at a small wooden table.
Andrews slowly pours tea.
Andrews orders Aaron out of the room.

Sugar?

ANDREWS

Thank you.

ANDREWS

Milk?

CLEMENS

Yes, please.

Andrews suddenly explodes:

ANDREWS
Listen to me, you piece of shit. You screw with me one more time and I'll cut you in half.

Clemens remains very calm...

CLEMENS
I'm not sure I understand.
ANDREWS
At 0-seven-hundred hours, I received word from the network. I may point out this is the first high-level communication this installation has ever received to my knowledge. They want this woman looked after. They made it very clear -- they consider her to be very high priority.

Why?

ANDREWS
I have no idea -- Why'd you let her out of the infirmary? This accident with Murphy is what happens when one of these dumb sons-of-bitches walks around with a hard-on.

CLEMENS
I'm a doctor. Not a jailer.

ANDREWS
Don't hand me that. We both know exactly what you are...

Getting up, Clemens heads for the door. Andrews pounds his fist on the desk:

ANDREWS (CONT'D)
Sit down!

CLEMENS
I think it might be better if I left. I find you very unpleasant to be around.

ANDREWS
You do? Isn't that lovely. Consider this, Mr. Clemens. How would you like me to have you exposed? Perhaps you'd like me to explain your sordid history to your new friend, Lieutenant Ripley? For her personal edification, of course...

(beat)
Now sit the hell down.

Clemens returns to his chair.

ANDREWS
I don't like you. You're unpredictable, insolent, possibly dangerous. You question everything and spend too much time alone. Always a bad sign.

(beat)
ANDREWS (CONT'D)

If I didn't need a medical officer, I wouldn't let you within light years of this operation.

CLEMENS

I'm very grateful.

ANDREWS

Keep your sarcasms to yourself. Now, is there anything I should know?

CLEMENS

About what?

ANDREWS

About the woman. Don't play with me, Mr. Clemens. You spend every second you can with her. And I have my suspicions that not all of your concerns with her are medical... Has she said anything to you? Anything about where she's from? What her mission is? What the hell she was doing in an E.E.V.?

CLEMENS

She told me she was part of a combat team that came to grief. I assume beyond that it's all classified. I haven't pressed her for more.

ANDREWS

That's all.

Yes.

ANDREWS

Nothing more?

No.

ANDREWS

You're sure?

CLEMENS

Very sure.

Seething, Andrews studies his hands. There's obviously something Clemens is not telling him.

ANDREWS

Get out of here.

Clemens rises, heads for the door.
ANDREWS
You and I find safety in the daily routine here. I'm not going to let it be interrupted. I'm not going to allow the animals to become agitated. Not by a woman. Not by accidents. Not by you.

CLEMENTS
Whatever you say.

ANDREWS
Your loyalties are to this operation. And to your employer. Not to strangers. She will be gone someday and we will still be here. Do you understand?

CLEMENTS
Yes. Your point is quite clear.

ANDREWS
I don't want trouble with our employers. I don't want trouble of any kind. So you keep an eye on the Lieutenant. Right?

CLEMENTS
Right.

ANDREWS
Goodnight, Mr. Clemens.

Clemens leaves.

EXT./INT. OPEN CYLINDER - GARBAGE DUMP - NIGHT

As the wind shrieks...
A gigantic pit stands open to the roaring sky. It's piled high with everything the prisoners have discarded. Standing on a mountain of rusted engines, pneumatic drills and other equipment --

RIPLEY
rummaging through miles of wires, tubing and parts. The wind tears her eyes. Stopping for a second, she sees...

A HAND

sticking out of a pile of some wiring.
Realizing what she's looking at, she starts digging through the refuse at speed.
Finally, she unearths the remains of --

BISHOP

The Android.
He's a shambles.
Most of his face and lower jaw are gone.
Parts of his neck, left shoulder and back are intact.
At the rear of his mouth is a small speaker.
Grabbing some wire, Ripley starts stuffing them into a bag.

(NOTE: The following attackers are: Junior, Gregor, Martin and William.)
An arm suddenly comes from behind and grabs her around the neck.
Another arm grabs her shoulders.
Another arm starts to fondle her private parts.
As she struggles... TWO PRISONERS appear, start to advance on her.
Ripley breaks free of the arms... PUNCHES one man.
Kicks the other in the balls.
But... An even LARGER PRISONER appears.
It's Junior.
He reaches down, grabs a metal bar from the junk pile.
Two other prisoners appear just behind him.
The two Ripley knocked down start to get to their feet.

Dillon suddenly materializes from the dark.
Smacks the two prisoners in back.
Junior turns -- tries to belt Dillon -- Dillon gut punches him.
Twists the metal bar away, then cracks him twice over the head with it -- the second blow dropping him.

DILLON
You! How could you do this thing!

KICKS him.

JUNIOR

No!

DILLON
(to the other prisoners)
You will not fornicate! You will not rape! You will live up to your vow!
You are too close to heaven to turn around!

He hits one of them.

DILLON
I'm not going to let it happen!
Hits another one.

**DILLON**
You are too close to heaven to turn around now!

The prisoners cower.

**DILLON**
Speak!

Junior croaks...

**JUNIOR**
The woman. We needed...

Dillon blasts him over the head with the club.
Leans close.

**DILLON**
You have been closer to me and my teaching than anyone here. How could you do this thing.

**JUNIOR**
I'm sorry. I'm sorry.

Dillon hits him twice again -- Looks at Ripley

**DILLON**
You have been closer to me and my teaching than anyone here. How could you do this thing.

Junior begins to cry.
Looks at Ripley.

**DILLON**
You okay?

**RIPLEY**
Yeah. Nothing hurt but my feelings.

**DILLON**
Take off. I've got to re-educate some of the brothers. We're gonna discuss some matters of the spirit.

She picks up the bag with Bishop's parts and starts to go.
Passes one of the prisoners.
Stops.
Looks him in the eye.
A long moment.
Then she punches him in the mouth.
INT. DARK PASSAGEWAY

Deep within the unexplored vastness of the complex.
It's black as night.
Illuminated by the light of his torch --
Golic eyeballs a sign on the wall in front of him.
Behind him, Rains lights a candle.
Kneeling, he places it in a row that seems to crawl away forever
into the dark.
The flickering light reveals a hallway.
A very long hallway.
The sign on the wall above Golic reads:

TOXIC WASTE DISPOSAL
THIS SPACE HERMETICALLY SEALED

Boggs glances back at Rains.
Kneeling, he studies a map at his feet.
When he speaks, his voice echoes and re-echoes off the concrete
walls.

How many?

BOGGS

RAINS
(checking notes)
This makes a hundred and eighty-six.

Golic shoves some food in his mouth and chews, noisily.
It's a big sound in the awesome, flickering silence.
Irritated, Boggs turns on him.

BOGGS
Can't you chew with your mouth
closed? I'm trying to figure how big
this compartment is. I can't think with
all the Goddamn noise you're making.

RAINS
You're not supposed to swear.

BOGGS
Sorry...

Golic swallows.

BOGGS
Now...we've circled this entire
compartment once.
(turning)
How many candles, again?

Boggs doesn't get an answer.
He glances sideways at Rains.
Rains is scratching himself furiously.
Stares fixedly down the row of flickering candles.
Golic follows his line of sight.
Something very bizarre is happening.
Every few seconds, one of the candles goes out.

BOGGS
What the shit is doing that?

GOLIC
You're not supposed to swear.

BOGGS
Shut up. It's okay to say shit. It's not against God.

RAINS
What the hell is going on with the candles?

The three prisoners hold their torches high in the air.
Try to see what's going on.
No deal.
Whatever's snuffing out the candles is too far away to be illuminated by the torches.

BOGGS
Must be a wind from one of the ventshafts -- backwash from the closest circulating unit. If all the candles go out, how're we going to know where we are?

RAINS
Somebody will have to go back and re-light 'em...
(beat)
I guess I'm nominated.

BOGGS
(turning)
Give him your torch.

Golic hands Rains his torch.
Rains moves down the line of candles.
His companions receding in the distance.
His footsteps echo inside the hallway.
Behind him, he hears Boggs:

BOGGS
Watch your step.

The words echo and reverberate within the enclosed space.
Moving forward, Rains starts to sweat.
Ahead, another candle goes out.
Golic and Boggs are a long ways behind him, now.
Only three more candles to go.
Beyond, there's nothing but a black hole.
Stopping at the last flickering candle, he raises his torch high in the air.
There's nothing there.
Relieved, he starts to relax.
Then he realizes there's a massive glob of blackness off to his right.
It's not reflecting the light from his torch.
And it's moving.
It's moving very fast.

THE ALIEN

rises up, directly in front of Rains.
Now a fully mature creature.
It moves with the speed of a big cat...
In one blurred motion, it is upon him.
Tears open his chest -- leaves a gapping hole in his abdomen.
The last thing Rains hears is his own scream.

INT. DARK PASSAGEWAY - GOLIC - BOGGS

Three hundred yards behind, they'd hear Rains' agonized cry and watch the torch flicker out.
Suddenly panicking, Boggs grabs the torch and takes off in the opposite direction.
Golic charges after him.
Rounding corners, charging through the blackness...
A maze of ink-black passageways:
Footsteps reverberate.
Finally catching Boggs, Golic takes back the torch.
Both men are exhausted, completely lost.
Out of breath, unable to speak...
Trying to collect himself, Golic stares around.
Ahead, he see candles flickering in the dark.

BOGGS

We ran in a circle. We're back...

Lighting the torch, he peers around in the dark.
Lamplight light illuminates something horrible.
Leaning against the wall, covered with blood --

RAINS

stares blankly at nothing, a look of abject terror frozen forever on his face.
Boggs starts to get sick.
He never finishes.
Glancing up on the ceiling, Golic sees --

THE ALIEN

crawling across the ceiling like a spider.
At the speed of thought, it leans down and rips off Boggs' head.
Blood flies everywhere, spattering Golic in the face.
His tunic drenched...
Paralyzed with fear, Golic watches the Alien hurl Boggs' helpless body against the wall. Still hanging from the ceiling, it stops what it's doing and turns to Golic. Watching the thing, Golic wigs out. From this moment on, he will be forever bent. Screaming like a banshee, torch in hand, he runs away into the echoing dark...

**INT. INFIRMARY**

Alone, Ripley studies the remains of Bishop. There's a battery pack in his left shoulder. She checks the connections. A spark sizzles. Using a cable, she connects a terminal in Bishop's smashed thorax to the black flight recorder. Instantly, Bishop's one eye blinks. A garbled sound comes out of the small speaker at the back of his mouth. Shoving her hand into his throat, she gives him an adjustment. Bishop's voice suddenly becomes audible. As he speaks, his eye wanders...

**BISHOP**

Ripley.

**RIPLEY**

Hello, Bishop. Can you feel anything?

**BISHOP**

Yes. My legs hurt.

**RIPLEY**

I'm sorry that --

**BISHOP**

It's okay. I'm just a glorified toaster -- How are you? I like your new haircut...

**RIPLEY**

Can you access the data on the flight recorder?

**BISHOP**

No problem.

She plugs the black box into a connection, wires it to his head. Bishop's one good eye opens and closes. What remains of his forehead wrinkles in concentration.

**BISHOP**

I'm home.
RIPLEY
What happened on the Sulaco? Why were the cryo-tubes ejected?

Seconds pass.
Then, the sound of the female voice heard aboard the Sulaco just prior to separation, comes out of Bishop's voice box.

FEMALE VOICE (OS)
Fire in cryogenic compartment.
Repeat. Fire in cryogenic compartment. All personnel report to --

RIPLEY
What started the fire, Bishop?
(no response)
Can you hear me?

BISHOP
The fire was electrical. It was in the subflooring...

RIPLEY
Did sensors detect any moving life form on the ship prior to separation?

BISHOP
It's very dark here, Ripley. I'm not what I used to be.

RIPLEY
Just tell me - does the recorder indicate anything? Was there an Alien on board?

An eternity.
Ripley waits.
Bishop's eye rolls around in his head, focusing on God knows what.

Yes.

RIPLEY
Is it still on the Sulaco or did it come with us on the EEV?

BISHOP
It was with us all the way.

RIPLEY
Does the company know?
BISHOP

The company knows everything that happened on the ship. It all goes into the computer and gets sent back to the network.

RIPLEY

And they want it?

BISHOP

I don't know. I'm not feeling very well.

BISHOP

I wish I could help you but I'm really not good for much.

RIPLEY

Look -- maybe if I ever get out of here, they can wire you up again.

BISHOP

No. I'm tired. Do me a favor. Just disconnect. I can be re-worked but I'll never be top of the line again. I'd rather be nothing.

RIPLEY

You're sure?

BISHOP

Do it for me, Ripley.

She pulls the wires.
Bishop's head rolls onto its side...

INT. MESS HALL

Eric the Cook enters -- Startled at the sight of Golic, he drops a load of plates.

ERIC

Golic?

Over Golic's shoulder, we see Dillon, Andrews, Aaron, Morse and Arthur enter the Mess Hall.

OMITTED

INT. INFIRMARY

Ripley sits alone in the back of the Infirmary. She watches as Dillon, Andrews, Aaron, Morse, Arthur and Clemens enter with Golic in a strait-jacket.
They tie him down to a bed.
Still covered in blood and gore.
Clemens tries to attend to him...

GOLIC
The dragon did it. You pious assholes are all gonna die. Slaughtered like pigs. The beast has risen. It feeds on flesh. Nobody can stop it.

DILLON
What about Boggs and Rains?

GOLIC
I didn’t do it. Slaughtered. It wasn’t me.

ANDREWS
Stark raving mad. I’m not saying it was anyone’s fault, but he should have been chained up.

AARON
You called it, sir. Mad as a fuckin’ hatter.

ANDREWS
Keep him separated from the rest, I don’t want him causing a panic. Clemens, sedate this poor idiot.

DILLON
Not until we know about the brothers...
(turns to Golic)
Now pull yourself together, man, talk to me. Where are the brothers?

GOLIC
I didn’t do it!

ANDREWS
Hopeless. You’re not going to get anything out of him... We’ll have to send out a search team. I’m afraid we have to assume that there is a very good chance this simple bastard has murdered them.

DILLON
You don’t know that. He’s never lied to me. He’s crazy. He’s a fool. But he’s not a liar.
ANDEWWS
Yes. That was a brilliant and
penetrating analysis of Mr. Golic's
personality. It unfortunately omits the
fact that he is a convicted multiple
murderer.

Ripley walks up to the group from the shadows.
All eyes turn to her.

RIELEY
There's a good chance he's telling the
truth.

ANDEWWS
Don't be absurd, Lieutenant.

RIELEY
I'm going to tell you what happened.
You're not going to believe me, but
I'm going to tell you what happened.

ANDEWWS
Really? I suppose we should have a
chat. I'm sure your ideas will be of
great interest.

(to Dillon)
I appreciate your concern for the
missing prisoners.

DILLON
I want to hear what she's got to say.

ANDEWWS
Sorry. This is a staff matter.

RIELEY
I don't mind if he hears it. Everyone
ought to hear me.

ANDEWWS
(to Clemens)
Mr. Clemens, see to your duties. Then
report to my quarters.

ANDEWWS (CONT'D)
(to Ripley)
Lieutenant. Come with me, please.

INT. ANDEWWS QUARTERS

Andrews and Ripley.
Andrews leans very close to Ripley's face.
ANDREWS
Let me see if I have this correct. Lieutenant. It's an eight foot insect of some kind with acid for blood and it arrived on your spaceship. It kills on sight and is generally unpleasant. And, of course, you expect me to accept all this on your word.

RIPLEY
No. I don't expect anything. I've met a lot of people like you before.

ANDREWS
I'll ignore that. Tell me, Lieutenant, what would you suggest we do?

RIPLEY
What kind of weapons have you got?

ANDREWS
This is a prison. It is not a good idea to allow prisoners access to firearms.

RIPLEY
So no weapons of any kind?

ANDREWS
Some carving knives in the Abattoir, a few more in the mess hall. Some -- fire axes scattered about -- nothing terribly formidable.

RIPLEY
That's it?

ANDREWS
Sorry. We're on the honor system.

RIPLEY
Then we're fucked.

ANDREWS
No. You're fucked. Confined to the infirmary. Quarantined. I think you'll be safe from any large nasty beasts while you're there. Right? Yes, that's a good girl.

INT. INFIRMARY
Ripley sits on a cot. (NOTE: Prisoner Kevin will enter this scene at some point.)
RIPLEY
Isn't there any way off here? Some
damn way to escape?

CLEMENS
It's a prison. No way out. A supply
ship comes once every six months.

RIPLEY
That's it?

CLEMENS
They are sending a ship to pick you up
and investigate the whole mess. Quite
soon, I gather.

RIPLEY
Really? What's soon?

CLEMENS
I don't know. No one's ever been in a
hurry to get here before.

RIPLEY
Yeah.

Golic stands across the way in a corner, staring at the wall.
He's gone catatonic.
He's wearing a primitive looking straightjacket.

CLEMENS
How do you feel?

RIPLEY
Not so hot. Sick to my stomach.

CLEMENS
Shock. Not unexpected, given the
circumstances.

Clemens fills a syringe...

CLEMENS
I'd best give you another cocktail.

GOLIC
(mumbling)
It all starts with the sun. It starts with
the light. It all comes out of the sun.
It all ends with the sun...

CLEMENS
That's quite profound. Thank you,
Golic.

Studying her face, he injects her with the syringe.
In his straightjacket, Golic stares at nothing.
Turning, he grins at Ripley. She looks away.
57 CONT.

GOLIC

Are you married?

RIPLEY

Me?

GOLIC

You should get married. Have kids... pretty girl. I know lots of 'em. Back home. They always liked me. You're gonna die too.

He begins to whistle.

CLEMENS

Are you?

RIPLEY

What?

CLEMENS

Married?

RIPLEY

Why?

CLEMENS

Just curious.

RIPLEY

No.

Pause.

RIPLEY

Do you think I'm crazy?

CLEMENS

About The Beast? I wouldn't say crazy. But I think you're over-stressed after the crash.

Golic mumbles something incoherently.

RIPLEY

You're wrong - and my stomach hurts.

A moment -- then, turning to Clemens...

RIPLEY

How about leveling with me?

CLEMENS

Could you be a little more specific?
RILEY
When I asked you how you got assigned here, you avoided the question. When I asked you about the prison i.d. tattoo on the back of your head, you ducked me again...

CLEMENS
It's a long sad story. Lots of melodrama.

RILEY
Entertain me.

CLEMENS
If you insist...after my student years, despite the fact that I had secretly become addicted to Morphine, I was considered most promising. A man with a future. While I was on my first residency, I did a 36-hour stretch in an E.R., went out, got more than slightly drunk, then got called back to duty after a boiler had blown on a fuel station. Thirty patients. Eleven of them died when I prescribed the wrong dosage of pain killer. I got seven years in prison and my license reduced to a 3-C. While in prison I kicked my habit. And here I am.

RILEY
I'm sorry.

CLEMENS
About what happened? Yes, so am I. I'm sure that the eleven people I killed had promising careers as well. About the prison sentence, no, I deserved it...

Golic continues to mumble.
Ripley lies back on the cot.
Clemens moves next to her, dabbing her forehead with a wet towel.

CLEMENS
Are you all right? You don't look well.

RILEY
Stomach ache --

Buzz. Intercom:

AARON'S VOICE
Let's all report to the Mess Hall. Mr. Andrews wants a meeting. Mess Hall, right away, gang...
The ALIEN suddenly drops down from the ceiling behind Clemens -
Rises to its full height -- over eight feet --
Big, black, shiny-smooth head moves into the light.
It moves towards her, cable-like arms held out at its side --
moving out of sync with its feet -- Ripley tries to move, to cry out -- She can't.
The Alien moves up right behind Clemens -- he should feel its breath on his neck but he doesn't -- he doesn't turn -- the Alien tears his head off --

Ripley can't scream.
Diaphragm pushes air out -- but no sound.
The Alien moves closer to her.
She can feel his breath --
it evaporates the sweat on her forehead --
a chill runs through her but she still can't move --
The Alien stands alongside her bed.

GOLIC
Hey, you. Get over here. Lemme loose. I can help you. We can kill all these assholes.

The beast turns and looks at Golic, looks back at Ripley --
Pulls itself back up into the overhead airshaft and is gone.

RIPLEY
Mouth agape.
Scared shitless.

INT. MESS HALL
Andrews stands before the assembled prisoners,
Aaron seated nearby...
Dillon at the center --

DILLON
All rise, all pray. Blessed is the Lord.

The prisoners rise.
Strike a reverent attitude.

DILLON
Give us the strength, Oh Lord, to endure until the day. Amen.

The prisoners all raise their right fist...

DILLON
I have lost one of my faithful. I have lost the one closest to me. Deep shame fills my soul.
JUNIOR
Lowers his glance as Dillon's eyes cut right through him.

ANDREWS
begins after ceremoniously clearing his throat.

ANDREWS
All right, once again this is rumor control. Here are the facts. At 0-four-hundred hours, prisoner Murphy, through carelessness on his part, was found dead in vent shaft seventeen. From the evidence gathered on the spot, he seems to have been caught by a strong air draft and got blown into the ventilator fan...

He moves around the large room.

ANDREWS (CONT'D)
At 0-four-hundred hours, Prisoners Boggs, Rains and Golic left on a routine foraging mission into the underground network -- at about 0-seven hundred hours, prisoner Golic re-appeared in a deranged state. Prisoners Boggs and Rains are missing. Unfortunately, there seems to be a good chance that they have met with foul play at the hands of prisoner Golic. We need to organize and send out a search party. Volunteers will be appreciated.

Stops under the air vent, near the doorway to the kitchen.

ANDREWS (CONT'D)
I think it's fair to say that our smoothly running facility has suddenly developed a few problems. I can only hope that we are able to all pull together in the next few days, until the rescue team arrives for Lieutenant Ripley...

Suddenly: a door slam -- Ripley enters, Kevin trailing her.

RIPLEY
It's here! It got Clemens!

ANDREWS
Stop this raving at once! Stop it!
RIPLEY
I'm telling you, it's here!

The lights dim.
Prisoner confusion.
What the shit is going on here?
A sound from above --
Puzzled, Andrews looks up.
Only to be snatched away by the beast.
Both gone.
Boom!
Like that.

RIPLEY
As the Alien pulls Andrews' still kicking body up into an airshaft.

MESS HALL
Complete, utter silence from the assemblage.
Dillon rises -- then kneels...
Begins to pray.

DILLON
We give you thanks, Oh Lord, your wrath has come and the time is near that we be judged.

INT. ASSEMBLY HALL
Prisoners David and Martin in the back...

DAVID
It was big. I mean big. And fast.

MARTIN
I saw it, asshole. I was there.

DAVID
Yeah. But I mean it was big...

Aaron, Dillon, Morse, Prisoners Frank, Troy, William, Gregor, Junior, Lawrence, Jude, Christopher, Arthur, Kevin, Janni, Eric, Vincent and Ed...

AARON
According to her, it's some kind of parasite. It goes through stages, lives off its host until it can move around by itself.

DILLON
What do you mean host?
People.

MORSE
Great. How do we stop it?

Ripley sits off by herself, smoking a cigarette.

AARON
Off what she says, without state-of-the-art weaponry, you can't.

MORSE
Shit. Why didn't she give us some kind of warning? This sucks. We don't even have a fuckin' medic now.

DILLON
Hey man, would you have believed her?

MORSE
She still should have --

DILLON
Shut up.

MORSE
Well, okay -- I guess we're just supposed to stand around and let the goddamn thing slaughter us.

Ripley stands, moves to the group.

RIPLEY
It's afraid of fire. Not much else...Can we seal off this area?

AARON
No chance. The installation is two miles square. There's six hundred airducts running to the surface.

RIPLEY
What about video -- try to find it that way. I see monitors everywhere.

AARON
Video system hasn't worked in years. Nothin' much works here. We got a lot of technology, but no way to fix it.
61 CONT.
Prisoner Morse walks up to Ripley.

MORSE
What the hell are we talkin' to her for?
She's the one that brought the fucker.
Let's run her head through the wall.

RIPLEY
Sounds good to me.

Dillon walks over to Morse.

DILLON
I told you before. I won't say it again.
Keep your mouth shut.

Morse decides to keep quiet.

AARON
What do we do now?

All eyes on Ripley.

62
INT. FILE ROOM

A large dingy room.
Bulging file cabinets.
Battered desks.
Dog-eaten wall calendars of naked women.

AARON
Pulls open a drawer.
Lifts out a schematic map and spreads it out on one of the
beaten-up desk tops.

AARON
Here's the layout of the whole place...I
told you, it's big.

RIPLEY
Staring down at the map.

RIPLEY
It'll nest in one of the passageways or
airshafts.

Pause.
As she studies the map --

RIPLEY
What's this?

RIPLEY
That connects the infirmary and the
mess hall.
RIPLEY
Maybe we can go in, flush it out.

AARON
Running around down there in the
dark? You got to be kiddin'.

RIPLEY
Don't we have any flashlights?

AARON
Yeah, 6,000 of them. But no batteries.
I told ya, nothin' works.

RIPLEY
How about torches? Do we have
capacity to make fire? Most humans
have enjoyed that privilege since the
stone age.

AARON
No need to get sarcastic. We're all on
the same side here. We got torches
here - plenty of them. We use them all
the time.

RIPLEY
It'll retreat before fire - we have
anything flammable?

AARON
That we got.

INT. STORAGE AREA - NEAR CONE OF SILENCE

A door opens. Light breaks over metal drums -- Ripley, Aaron
and Prisoner David appear.

AARON
I don't know what this shit's called.

DAVID
Quinitricetyline. I saw a drum of it
fall into a beachhead bunker once, blast
put a tug in dry dock for seventeen
weeks...it was great.

AARON
They take their sweet time, but they've
been moving it off this rock. This is
the last of it.

DAVID
Nice to know.

RIPLEY
We need some manpower to get this
stuff out of here.
Engulfed in an echoing sea of blackness, Ripley, Dillon, Aaron... They hold torches, stand before a familiar sign on the wall.

**TOXIC WASTE DISPOSAL**
**THIS SPACE HERMETICALLY SEALED**

**AARON**

Never been used. They were gonna dump a lot of nuclear crap in there -- store it in drums. They never got around to it, it's clean as a whistle in there.

A huge door leads into the disposal...

**RIPLEY**

(re: door)
This is the only way in or out?

**AARON**

That's right.

**RIPLEY**

Walls six feet thick?

**AARON**

Solid steel.

**RIPLEY**

Let's get this right -- you get something in there and close the door, no way it can get out?

**AARON**

Right. No fuckin' way.

Ripley glances down at the map.

**RIPLEY**

If we can burn it down these passageways, close them off one at a time, we might get it inside...

**AARON**

Bull shit. It could be anywhere. There's miles of black out there.

**RIPLEY**

It'll find us.

Ripley moves to the enormous door...
Breaks the seal on a control box and pushes a button.
THE GIANT DOOR

slides open with amazing speed.
Ripley, Dillon and Aaron stare through the door.
Empty chamber within...

DILLON
You're sayin' we got a shot to beat it?

RIPLEY
Not much. But if we don't do
anything, it reproduces. We'll have
fifty of them, then six hundred...We're
all dead if we just stand here with our
thumb up our hiney.

DILLON
Wait long enough and we're all dead
anyway. And we're not exactly giving
up the garden of paradise here.

(NOTE: THE STAGING OF THE BURN AND BAG
SEQUENCE WILL BE FULLY ADDED TO THE
TEXT AS STORYBOARD INFORMATION BECOMES
AVAILABLE. IN ESSENCE: PRISONERS PAINT
SHAFTS WITH NAPALM, LIGHT IT, WHICH

KILLED IN THIS PROCESS.)

INT. STORAGE ROOM

Troy and Arthur rooting through a barrel of batteries -- testing
them with an electric device.
A huge discard pile...

TROY
Goddamn it, one fucking battery in
two thousand works.

ARTHUR
Hey, it could be worse you know -- we
mighta got the paint brush detail.

He tries a flashlight.
The beam snaps on.

AIR-DUCTS - PRISONERS

Frank, Martin, Kevin, Vincent and Gregor crawling into the
air-ducts.
Paint brushes in their hands. Eric finds a vent-screen intact — signs of the Creature. Just as they thought, the Beast is within.

KEVIN AND GREGOR

crawling, painting the interior surfaces of the air-ducts with quinitricetyline, carrying flares in their mouths.

KEVIN
This shit smells awful.

GREGOR
Don't breathe it.

KEVIN
Why not?

GREGOR
Fuckin' fumes.

KEVIN
I'm in a fuckin' pipe with it -- how can I keep from breathing it?

GREGOR
I mean, don't breathe too hard -- you'll get high.

KEVIN
Sounds good to me.

Crawling backwards, pouring the viscous, oily junk.

PASSAGEWAYS BENEATH AIR DUCTS

Prisoners cut off the Toxic Waste Dump from the rest of the world (Troy, William, Junior, Lawrence, Jude, Christopher, Arthur, Janni, Ed, and David.)

OTHER PRISONERS --

Pour out buckets of junk, spreading the puddles with brooms...

DILLON AND RIPLEY

DILLON
You miss the doc, right?

RIPLEY
I didn't know him very well.

DILLON
I thought you two got real close.
RIPLEY
I guess you've been looking through some keyholes.

DILLON
(smile)
That's what I thought.

Unexpectedly, she is hammered by a tidal wave of nausea. It rolls up through her body, grabbing her by the throat and shaking her to the core. Leaning on the wall, she gags and coughs at the same time. Dillon moves to her side. Fighting for air, she shoves him away.

DILLON
You okay?

RIPLEY
Yeah.

Sweating profusely, she looks away.

DILLON
You don't look okay to me, Lieutenant.

VERTICAL PASSAGEWAY

high inside a vertical passageway, Frank drops a flare which hangs precariously on a ledge below him. Straining, he finally retrieves it, breathing a sigh of relief. Until --

THE ALIEN
attacks him. Frank drops the flare, screaming, writhing. The flare falls in EXTREME SLOW MOTION, tumbling, finally delicately touching the ground -- EXPLOSION!

VERTICAL PASSAGEWAYS --

Off to the races...
Fire rips down tiny, collapsed mining passages. Buckets of the junk explode -- Flames lick the ceiling.

RIPLEY
dives to the ground --
The oxygen is being SUCKED AWAY --

THE AIR VENTS
ignite!
18/12/90 - W.H., D.G.

75 PRISONER ED

are engulfed in flames as the fire races through the overhead AC/Alien Nest.

Through a grating, WE SEE

76 ED

burned as the FLAMES race past him.

77 THE ALIEN

scuttles from the fire...

Martin SEES the Beast and calls the others to arms.

They begin a CRAWLING ATTACK after the Alien.

Injured Prisoners drop from the burning ceiling.

78 ERIC

hurriedly crawls to safety in an ancillary pipe

79 JANNI

SCREAMS as the Beast emerges from the overhead AC Duct, and then dies.

80 TROY AND CHRISTOPHER

race from the flames --

Troy escapes, the but Christopher is fully engulfed by the fire.

81 RIPLEY - TOXIC WASTE DUMP PASSAGEWAY

tries to find out what’s going on.

DILLON

calls to his troops, but it’s useless.

RIPLEY AND JUNIOR

beat the fire out on the engulfed Prisoner.

THE ALIEN

scuttles by overhead, unseen.

GREGOR

dies in Junior’s arms

RIPLEY

finds Dillon.
JUNIOR
races through the fire, insane with grief:

JUNIOR
Come and get me, chino!

LAWRENCE
falls from smoke inhalation...
As he passes out, he sees the Beast rise before him, backlit by flames, distorted by heat.
Ripples, out of focus, it really looks like the Devil...

BACK ON JUNIOR
who turns a corner.

LAWRENCE
disappears into an airvent --

RIPLEY
leads a fall-back.
The remaining gather the fallen.

JUNIOR
attacks the Alien.
The others retreat through the flames, turning a corner to see --

THE ALIEN
drop to the ground.
Junior sees them, calls to them to run -
They watch as Junior turns and rushes the Beast, who attacks him while he runs.

RIPLEY AND PRISONERS
run to Junior's aid, but the Creature bears down on Junior, who rushes for the door.

ALIEN - P.O.V.
the Creature halts and watches Junior turn in a doorway. In the distance, the other Prisoners stop --
The Alien turns, looking at the group of Prisoners --

Junior screams. The Alien WHIPLASH TURNS to pounce on Junior. They tumble back into the dark.

RIPLEY
hits the door shut.
WE HEAR the Rapist's cries as the Tri-Door shuts. Dillon activates the SPRINKLERS.

MONTAGE:
The faces of the remaining Prisoners. Water pouring over them. Gregorian chants

84 INT. ASSEMBLY HALL
Dillon stands before the remaining prisoners --
INTERCUT -
graphic silhouettes of the gathering of the bodies.

DILLON
(speaking to the congregation)
Even for those who have fallen, this is a time of rejoicing. We salute their courage. They will live forever. Those who are dead are not dead. They have moved up -- they have moved higher...

He joins the congregation in prayer.

GALLERY
Ripley and Aaron look down at the religious ceremony.

AARON
Bastards are crazy. But it keeps 'em quiet. They're hung up on this religious crap.

Pause.

AARON
I figure rescue team gets here in four, five days, six tops. They go in there with smart guns and kill the bastard. Right?

RIPLEY
Have you heard anything from them?

AARON
Naw. We just got a message received. Later we got something that said you were top-priority -- They don't cut us in on much. We're the ass-end of the totem pole out here.
RIPLEY
Look -- if the company wants to take the thing back...

AARON
Take it back? Are you kiddin'? They gotta kill it.

RIPLEY
Right.

INT. INFIRMARY
Golic still straight-jacketed...
Guarded by Morse

GOLIC
Hey, Morse...

Morse just looks at him.

GOLIC
Let me out of this thing.

MORSE
No fucking way.

GOLIC
C'mon man, it hurts.

MORSE
Sorry.

GOLIC
I didn't do nothing.

MORSE
Don't talk to me.

GOLIC
What'd I do? Just tell me what'd I do?

MORSE
I'll tell you what I'm going to do, I'm gonna guard your ass just like I was ordered. I don't want no trouble with Dillon.

GOLIC
All I did was tell about the dragon. What it did to Boggs and Rains. I wasn't lying. You saw it.

MORSE
Fuckin' A. It was big.
GOLIC
Let me loose, man. What if it gets in here? I couldn't even run. I'd be dead meat.

MORSE
It's not going to get in here. We got it trapped.

GOLIC
Then what's the big deal? Come on, man, let me loose.

Pause.

MORSE
Fuck it. Why not? But behave yourself. No fuckin' around or I'll get nothin' but shit.

Morse starts to free the straps.

GOLIC
Hey, no problem. Trust me, buddy.

Golic is now free.

GOLIC
Where they got it?

MORSE
Up in the waste tank. We got that sucker nailed down. I mean tight.

Golic swings his arms -- gets his circulation back...

GOLIC
I got to see it again. It's the dragon of God. It's in the book.

MORSE
What the fuck you talkin' about?

Smack!

Golic hammers him with a small fire extinguisher. Morse is down and out.

GOLIC
It's in the book.

He wanders off.
FURY 161 - CLASS C - PRISON UNIT -
12037154 - REPORT DEATH OF SUPT.
ANDREWS, MEDICAL OFFICER CLEMENS,
MANY PRISONERS...

INT. COMMUNICATIONS ROOM

Ripley hovers over Aaron as he types into the Dat-scan.

AARON
Okay. We got the first part -- now
what do I say?

RIPLEY
Tell them we trapped it.

AARON
Right. What do we call it?

RIPLEY
A Xenomorph.

AARON
Right. How do you spell it?

RIPLEY
Here...

She elbows him aside.

COMMUNICATIONS ROOM

AARON
We can't kill it. We don't have any
weapons.

RIPLEY
We don't have to tell them that.

AARON
Then why tell 'em?

An answer starts coming back.

TO: FURY 161 - CLASS C - PRISON UNIT -
1237154 - FROM NETWORK COMCON 01500
- WEYLAND - YUTANI - MESSAGE RECEIVED.
AARON (V.O.)
See, that's all they ever tell us. Treat us like shit.

More type coming in...
RESCUE UNIT TO ARRIVE AT 12
HUNDRED HOURS -- PERMISSION
DENIED TO TERMINATE XENOMORPH
REPEAT -- PERMISSION DENIED. AVOID
CONTACT UNTIL RESCUE TEAM ARRIVES.

RIPLEY
Staring at the message -- her worst suspicions confirmed.

I'm for that.

RIPLEY
Thanks a lot.

INT. PASSAGEWAY - NEAR TOXIC WASTE DISPOSAL 88
A torch is planted in a crack in the concrete wall.
Flickering light illuminates the battered door.
It's dented all to hell but still intact.
Silence from within the container.
Some distance away on the very edge of the light...
Arthur has been posted as guard -- he's seated by the big door.
Golic approaches.

GOLIC
Okay. Off and on. I gotta get in there.

ARTHUR
What the hell you talkin' about?

He gets to his feet.

GOLIC
I just need to go in there and see the beast. We got a lot of shit to talk over.
It's all in the book. I gotta go in there.

ARTHUR
You ain't goin' in there, shithead. Big motherfucker eat you alive. Plus you let that baby out, kiss our ass goodbye.

Golic suddenly lifts a straight razor and slashes his throat.

GOLIC
I say somethin' -- you oughta learn to pay attention.
GOLIC

He eyeballs the battered door.
Silence.
Golic giggles, cocks his head...
Listening for a moment, moves to the door.
Still chuckling, he starts fiddling with the control.
Finding the right button, he pushes it.
Somewhere, gears whine.
Steel scrapes on steel.
The smashed door swings partially open and gets stuck.
An ominous darkness is waiting within.
Straining, Golic tries to get the door open all the way.
He puts his entire body into it.
More scraping.
Finally, the door opens completely.
Golic peers into the darkness.
Nothing.
Silence.

GOLIC (CONT'D)
Okay. Just tell me what you want.
Just tell me what to do, brother.

A sound...
Golic smiles.

GOLIC
Let's get this straight. I'm with you all the way. I just want to do my job.

A rushing sound as the beast lopes away.
Golic keeps smiling...

INT. PRISONER CELL BLOCK - DILLON'S CELL

Dillon sits alone—playing solitaire.
Ripley stands nearby as Dillon turns over another card.

DILLON
You're tellin' me they're comin' to take this thing away?

RIPLEY
They'll try. They don't want to kill it. We've got to figure out some way to finish it off before they get here.

DILLON
Why do we have to kill it? You just said the company's coming for it.

RIPLEY
That's right. They're going to take it back.
89 CONT.

DILLON
What's wrong with that?

RIPLEY
They don't understand. They can't
control it. It'll kill them all.

DILLON
Like I said, what's wrong with that?

Bang!
The cell block door opens.
Morse enters.

MORSE
Hey, Dillon!

INT. PASSAGEWAY - NEAR TOXIC WASTE DISPOSAL

Sometime later.
Ripley, Dillon, Aaron and Morse have arrived.
They stare at the open door,
The prisoner Golic killed - Arthur - lie close by...

AARON
This cuts it. God damn dumb son of a
bitch let it loose. Now what the fuck
are we gonna do? Andrews was right -
we should have kept the shithead
chained up.

(turning)
What's the matter?

She's sick again.
Leaning on the wall for support, she struggles to get her breath.

MORSE
Piss on her. The fuckin' thing's loose
out there. Now what the fuck are we
gonna do?

AARON
I just said that. You're the dumb prick
that let Golic go. You miserable little
shit.

Wham!
He flattens Morse.
Dillon grabs Aaron.

DILLON
Cut that shit out --

AARON
Then tell your fuckin' bozo to shape
up! All this shit is his fault!
Dillon pushes Aaron away...

DILLON
(to Ripley)
What do you think?

Ripley's head is killing her. Leaning on the wall, Ripley struggles against nausea.

RIPLEY
I need to get to the E.E.V.

AARON
Yeah -- Okay. No problem. Why?

RIPLEY
The neuroscanner, I want to use the catscan...

DILLON
You don't look so good.

Morse gets to his feet.

MORSE
Who gives a shit what's wrong with her -- What are we gonna do?

AARON
You want to hit your back again you little dork? Shut the fuck up and quit causin' panic.

MORSE
Panic! You're so goddamn dumb, you couldn't spell it -- don't tell me about panic! We ought to panic! We're screwed!

AARON
Yeah! And who's fault is it?

DILLON
Both of you, shut up!!

They all stare at each other.

AARON
(to Dillon)
Okay, smart guy. I'm out of ideas. What do we do?

MORSE
What about the beach?
AARON
Right. When the sun's down it's forty below zero. We can build bonfires, wear heavy coats and all hold hands. The rescue team is ten hours away so that makes a lot of sense.

MORSE
Wonderful. So you just want us to stay here and if this fucking beast doesn't get us, then Golic cuts your throat.

AARON
We'll send a search team out for him. Hang the bastard.

MORSE
Get fucking serious. Who's goin' on a search team with that big fuckin' thing out there?

Good point.
Ripley still leaning on the wall.

RIPLEY
I need to get to the E.E.V. Somebody show me the way.

DÍLLO(N
(to Morse)
Get everybody that's still left together. Get 'em to the cell block. Grab all the fire axes, kitchen knives, all the blades...

INT. CONE OF SILENCE
The E.E.V. still sits on the hangar floor. Light flickers, dims and surges again. Shadows move. Whispered voices from within the vehicle:

INT. E.E.V
With difficulty, a naked Ripley crawls into a cryo-tube. Dillon, back turned, stands guard at the doorway -- Crouched in a cramped space to her right, Aaron works a small keyboard, staring down at a display screen. A menu pops onto the screen. He stares at it:

AARON
What do I do now?
Hit either 'B' or 'C'. What's 'C'?

Display bio-functions.

That's it.

Aaron hits the keyboard.
Ripley forces her body into the cryo-tube.
It's a very tight fit.
Claustrophobic as hell.
Every instinct she has is yelling at her to get the hell out of there and run.
He goes back to work on the keyboard.
Above Ripley's head, inside a panel, a motor whines.
It scares the hell out of her.
Haunted, she closes her eyes.
Aaron watches the display monitor.
A picture of Ripley's head appears on the screen.

Okay. What am I supposed to be lookin' for? I don't know how to read this shit.

Rapidly changing digital information and additional medical data are superimposed on the image.
Aaron works the keyboard.
An unseen scanner begins moving down Ripley's body.
Her neck and shoulders appear.
Aaron wipes sweat from his brow.
He stares at the image on the display as it reveals the interior of Ripley's thorax.
He opens his mouth to speak, but nothing comes out.

Holy shit...what the fuck is that?

Dillon turns, stares at the screen.

You're carryin' it.

is clearly revealed, growing inside Ripley's chest.
An embryonic head hangs down toward the pelvis.

What's it look like?

Jesus.
AARON
Fuckin' horrible.

RIPLEY
Move the screen. I've got to take a look.

DILLON
I don't think you want to.

DO IT.

Aaron adjusts the view screen...
She takes a long look.

RIPLEY
Okay.

Punching a button, he shuts off the scanner.

AARON
Right. Let's get you out of here.

INT. CONE OF SILENCE - GOLIC
Unnoticed - he's watching from across the way as they leave.
He smiles.

INT. PRISONER'S CELL BLOCK
Dillon holds a fire axe over his head.

DILLON
Give us strength O Lord, to endure.
Until the day. Amen.

The remaining prisoners are assembled.
They all raise their right fist...
Aaron clears his throat --
He's attempting to take on Andrews' mantle of leadership.
Ripley is nowhere in sight.

AARON
Okay men, rumor control. I guess you all know what's goin' on. We're doin' our best...

Dillon pushes by him.
DILLON
It's loose. It's out there...a rescue team is on the way with guns and shit. Right now, there isn't any place that's real safe. I say we stay here in the cell block. No overhead vent shafts. If it comes in, it's gotta be through the door. We post a guard to let us know if it's comin'. In any case -- lay low. Be ready and stay right, in case your time comes.

DAVID
Bull shit, man. We'll all be trapped in here like rats.

DILLON
Most of you got blades stashed away, get 'em out.

WILLIAM
Right. You think we're gonna stab that mother fucker to death?

DILLON
I don't think shit. Maybe you can hurt it while you're checkin' out. It's something. You got any better ideas?

A long silence.

DILLON
I'm tellin' you, until that rescue team gets here -- we're in the shit. Prepare yourself.

WILLIAM
I ain't stayin' here. You can bet on it.

DILLON
Suit yourself.

He turns and walks away...

INT. ANDREWS' QUARTERS

Dillon, carrying his axe, enters. Looks in at Ripley.
RILEY
The thing that’s inside me is a queen.
It has to be, otherwise it would have
come out by now. I’ve seen how they
work. It’s not very pretty. So it’s
going to be a queen. An egg layer.
Millions of eggs. It’s not like the one
that’s out there running around loose.
I don’t know how long this thing takes
to gestate.

DILLON
How did it get inside you?

RILEY
While I was in hypersleep. I guess the
horrible dream I had wasn’t exactly a
dream.

DILLON
You got raped.

RILEY
Yeah. And I get to be the mother of
the mother of the apocalypse.

DILLON
What are you gonna do?

RILEY
I’ve got to kill it.

DILLON
How you figure on doin’ that?

RILEY
Simple. Except I can’t do what I
should -- so you’ve got to help me.
You’ve got to kill me.

DILLON
Me?

RILEY
You.

DILLON
You’re just bullshittin’.

RILEY
You don’t get it. I’m dead anyway. So
are you. This thing inside me can
generate thousands more. This thing
can wipe out the whole universe. It
has to die.
DILLON
There's still that big one out there.
Long as it's alive, you're not savin' any
universe.

RIPLEY
That's your job. When the Company
gets here -- get a gun, kill it. I can't
take the chance to have this thing inside
me for another minute... You're
supposed to be a killer -- kill me.

A long moment.
Then...
Ripley stands.

RIPLEY
Just do it. No speeches.

Turns her back on Dillon.
He raises the axe.
Hesitates.

RIPLEY
It has to be killed. Don't think of it as
me.

DILLON
You're really pushin' me, sister.

RIPLEY
Come on, do it! You told me you
were a killer -- do it. Just do it.

A long moment.

RIPLEY
Come on, once a killer, always a killer.
Once a prisoner, always a prisoner - do
it!

He looks at her -- then swings the axe full force.
Drives it into the wall next to her head.
She turns.

RIPLEY
You're not doing me any favors! This
has to be done!

DILLON
Sorry. I can't. I am a new person.

Pause.

DILLON
Now I know for certain that it's real.
Tears the axe back out of the wall.
Turns and walks off.
On her look --

INT. ABATTOIR

Eric, William and Christopher, bandaged from his burns, stand waiting -- the security door opens.

ERIC
Okay -- we got food. Couple of survival kits...all the disinfectant I could get out of the bug wash.

Prisoner One slams the door shut.
They spread the disinfectant around the doors.

WILLIAM
He ain't gonna come in here with all this disinfectant. No fuckin' way. He's a bug and he ain't gonna bring his ass in here.

CHRISTOPHER
Tell me again.

WILLIAM
Fuck you, man. Believe it.

ERIC
We got it made. Them other dumb bastards back there in the cell block gonna get the chop. We got food, no fuckin' air conditioner for him to drop out of --

Across the way one of the lights goes off...
Then another.

CHRISTOPHER
What the fuck is that?

WILLIAM
What's it look like?

ERIC
Looks like the fuckin' light went off.

WILLIAM
Right.

CHRISTOPHER
Yeah. Okay. Well, who turned the fuckers off?
Another light goes off.

CHRISTOPHER
Who's turnin' off the fuckin' lights?

Another light goes off.

WILLIAM
Turn 'em back on!

CHRISTOPHER
Right.

ERIC
I wonder who's turnin' 'em off?

WILLIAM
Maybe they just burned out.

CHRISTOPHER
Maybe.

ERIC
Bullshit.

CHRISTOPHER
Where's the circuit breaker?

WILLIAM
I didn't know there was one.

ERIC
Me neither.

Another light goes off.

ERIC
Fuck it, somebody tell me who's turnin' 'em off:

WILLIAM
It ain't the fuckin' beast. He don't give a shit if the lights are on or off.

ERIC
Okay, then you go turn the fuckers back on.

Another light goes off.

CHRISTOPHER
He's right. It ain't the fuckin' beast. Don't make sense. They're probably on some automatic timer.
ERIC
I'm tellin' you - bullshit. I been here
ten years and I never heard about no
automatic timer. Besides, if we had
one, it wouldn't work.

WILLIAM
What the fuck do you know?

ERIC
I know I never heard nothin' about no
automatic timer.

WILLIAM
You didn't know nothin' about any
circuit breaker either. Right? So go
turn 'em back on.

ERIC
Fuck you -- you go do it.

The room is now very dark.
The far walls no longer visible through the gloom.

CHRISTOPHER
Come on. I'll go. Somebody go with me.

Long pause.

CHRISTOPHER
Come on, we can't just stand here like
dumb fucks.

ERIC
Fuck it -- I'll go with you.

They bump elbows in a bonding gesture -- move off through the
dark.

WILLIAM
It's an automatic timer. That's what
did it.

ANOTHER PRISONER
Right.

WILLIAM
(calls out)
Hey! You guys find anything?!

No response.

WILLIAM
Hey! Answer me!
96 CONT.

VOICE
(from afar)
So far we can't find dick! It's too
goddamn dark.

WILLIAM
Just fuckin' answer when I yell, okay!
Don't get cute!
(turns back to
Prisoner #3)
Fuckin' wise guys.

Except it's not Another Prisoner.
He's on the floor with his throat cut.
Golic is standing there holding his butcher knife -- as usual, he's
smiling.

GOLIC
It's your time. Me and the beast.
We're a team.

WILLIAM
Golic. Hey buddy, it's me.

Golic stabs him straight in the heart.

VOICE
(from afar)
You guys got any fuckin' idea where
this circuit breaker is?

Golic turns -- heads after the voice through the dark.

INT. COMMUNICATION ROOM - COMPUTER ANNEX

Ripley taps out the five-digit code.
Runs her thumb against the identiprint.
The inner door opens
Data banks come to life.
She sits at the console.
Thinks for a moment.
Then punches up a code.
Nothing happens.

RIPLEY

Shit!

Punches another combination.
Nothing happens.
The Comm door SLAMS open --
It's Aaron.

RIPLEY

I need to get a line back to the
Network.
Okay. Why?

RIPLEY
I want to tell them this whole place has gone toxic.

AARON
Are you kiddin'? Then they won't come here. The rescue team'll turn back.

RIPLEY
That's right.

AARON
What are you talkin' about? Our only hope is that they kill this fucker. And maybe they can do something for you. Freeze you -- do an operation. They got the technology...

RIPLEY
If it gets off this planet, it'll kill everything. We can't let the company come here. They'll try to take it back with them.

AARON
Fuck you. I'm sorry you got this thing inside you, lady, but I want to get rescued. I don't give a shit about these meatball prisoners, but I got a wife and kid. I go back on the next rotation.

RIPLEY
I'm sorry -- look, I know this is hard, but I've got to send a message back. I need the code.

AARON
Sorry, babe. It's classified.

RIPLEY
Look, shithead, it's got to be done! Give it to me!

AARON
No fuckin' way, Lady. Not without killin' me first.

RIPLEY
If you insist. No problem!
97 CONT.

AARON
(yelling, overlapping)
Kiss my ass! Go ahead! You are not getting the code!

RIPLEY
(yelling, overlapping)
You idiot! When are you going to get it? You’re dead anyway!

98
A TORCH
Moving through the semi-darkness...

99
INT. ASSEMBLY HALL
Dillon and Morse enter.

MORSE
I’m telling you -- I don’t want an axe. Just give me something worth a shit. Like a pulse rifle. This fucker will grab the axe out of your hand, then grab your hand.

DILLON
Quit bitching. There’s a fire box over here on the loft.

Dillon has the axe in one hand, torch in another.

MORSE
Holy Christ.

The Assembly Hall has been transformed into an Alien cocoon chamber. Walls and ceiling encrusted with Alien mucous. Hives built around rotting corpses. A sound... Moaning. Low moaning.

MORSE
They’re not dead...

THE COCOONS
Dozens of semi-transparent pods -- inside each, a prisoner’s body.

DILLON
This is the meat locker.
Help...

They turn --
Their torches illuminate --

ANDREWS
Cocooned.

MORSE - DILLON
Both gazing upward --

MORSE
Fuck me...

He starts forward...
Dillon stops him.
In the fine mist of the chamber a narrow MEMBRANE -- like a cross section of laser light -- encircles the cocoon chamber.

DILLON
It's like an alarm. Step in there and it knows we're here.

MORSE
What about Andrews?

DILLON
Too late.

ANDREWS
Please. Kill me. Please.

Dillon steps forward -- touches the flame from his torch to the Alien web...
Andrews' cocoon is engulfed...
Dillon and Morse watch as he is burned to a crisp.

DILLON
We burn it. All of it.

Morse looks up at the ceiling -- the circling flames.
Soon the Cocoon chamber is a pyre...
The flames lick at the ceiling.
Catch the dry timbers.
SCREEEEEE -!!
They look up.

ASSEMBLY HALL - FAR END OF THE BURIAL CHAMBER

The Beast holds something in his hand: A man's torso.
What's left of a prisoner...
The Beast lets it drop to the floor.
Dillon throws his torch -- it flies end over end -- the length of the cocoon chamber -- the Alien's hand comes up --
99 CONT.

It SMASHES against his foreleg --
Covering him with a sheet of flame --
It disappears behind a huge cement abutment.

100 INT. COMM ROOM

Ripley and Aaron -- both now calm -- but both still angry,
sullen...

RIPLEY

I can't get anything to go right around here. I can't even get one of you
meatheads to kill me. I tried to get
Dillon to do it.

AARON

Why? So the thing inside you would
die?

She nods.

AARON

Right. No problem. I'll tell you what,
if that's what you want, you kill the big
bastard -- I'll put your lights out. I'll
even do it real painless. Promise.
Nothin' personal you understand. I
think you're okay.

RIPLEY

Thanks.

AARON

Got any ideas?

Ripley pours herself a glass of water.

RIPLEY

It won't kill me.

AARON

Oh yeah. Why?

RIPLEY

It can't nail me without killing the new
queen.

AARON

You really want to bet this thing's that
smart?

RIPLEY

It could've killed me twice. But it
didn't.
100 CONT.

AARON
Then I'm stickin' real close to you.
You're the best shot I got.

A FIREBELL goes off.
Ripley looks at Aaron.

AARON
Shit. A fuckin' fire.

101 INT. ASSEMBLY HALL - THE COCOON CHAMBER

Now an inferno.
Hundreds of pods fully ablaze.
A SHRILL KEENING SOUND as the flames fully engulf the half-dead...

MORSE
Come on, let's get out of here!

You go!

DILLON
Both of us!

The inferno grows...

Dillon shoves him back through the door -- locks it from inside.
Then, turning back to the ghostly, flickering incandescence,
Dillon begins to pray softly.
Morse pounding on the door...

DILLON
When evil draws near, it is evil that will fail. My body will be taken, but never my spirit.

High above, at the very top, from out of the flames, the beast is moving.
Far below, Dillon's voice:

DILLON
It is the light I seek. My eyes are closed to evil.

All is now a blur through the flames --
Something hits the floor behind Dillon.

DILLON
For I will be safe on the Day of The Beast. I am in your hands. I am ready to be judged.

A shape rises up in front of him.
101 CONT.

DILLON
Although evil surrounds me, I shall offer within a sacrifice of pure joy. My body will be taken, but never my spirit.

THE ALIEN
Looming over him...

DILLON
I am ready to be judged!

Now shouting, Dillon keeps his eyes closed...

DILLON
The Beast has made me dwell in darkness! I will fear no evil!

His voice cracks and trails off into nothingness. He’s pushed his faith to the edge.

102 IN THE HALLWAY - OPPOSITE MORSE’S DOOR

Rounding a corner, Ripley and Aaron appear... Ripley moves to a plexiglass window.

103 ASSEMBLY HALL - THRU SMOKE AND FIRE

Dillon opens his eyes and sees Ripley. She’s screaming something, but he can’t hear. He glances over his shoulder, spotting the Creature. Dillon suddenly lifts his axe, smashes at The Beast. Slices through one of its forelegs. In a flash, the Alien strikes...

104 HALLWAY - RIPLEY

Watching through the Plexiglass... Grabbing a fire extinguisher from the wall, she starts pounding it against the window --

105 ASSEMBLY HALL - SMOKE AND FIRE

In his death throes, Dillon climbs reflexively to his feet. Hacks away again at the beast. Savagely, the Alien rips a hole in his chest. Hurls his body backwards... Gathering it up, the Creature drags it away.
HALLWAY - RIPLEY

Helpless, she drops the fire extinguisher on the floor. Watches the Alien disappear through the flames -- into an air-duct with Dillon's body.

INSERT - DILLON'S AXE

It lies across a battered mess table.

INT. MESS HALL

Morse, Ripley and Aaron.
Morse is seated.
Drinking a coke.
Looks like hell.
Ripley is across the way.
Staring at Dillon's axe...

MORSE
Don't give me any shit -- like it was my fault. He could've come with me. He shoved me outta there. Fuck!
You're the one that brought it here!
You're the one responsible!

The lights suddenly dim.
Flicker.
Return, but at a much lower amperage.

MORSE
Now, what the shit! Fuckin' beast is screwin' up the electric system!

AARON
I been expectin' this. Main generator must've went out. Nobody feeding the firebox. Emergency backup just went on...

Let's go.

RIPLEY

Where?

AARON

RIPLEY

To find it.

MORSE
Find it! What the fuck!
RILEY
If it can't kill me then maybe I can just walk up to it. Shove a torch down its mouth, hit it between the eyes an axe. Kick it in the nuts. Something...the worst thing that can happen is...it kills me.

Ripley picks up the axe.

RILEY
How many prisoners do we have left?

MORSE
There's seven shitheads back in the cell block last time I was there.

RILEY
Let's go get them.

AARON
Sure. Why?

On her look --

INT. LEAD MOULD -

Ripley, Aaron, Morse and the remaining Prisoners.

RILEY
This is a lead works, isn't it? Then all we have to do is get the beast into the mould and pour hot lead on it.

AARON
How the hell do we get it into the mould? We don't have anymore fire shit, used it all up...

MORSE
Right. And burnt the fuck out of our guys.

We use bait.

RILEY
Bait!

MORSE
RILEY
You guys got a better idea?

AARON
What do you have in mind?

DAVID
He seemed to go for Junior.
MORSE
Let me get this straight. First you bring it here, then you don't warn us, then we have this great plan with the fire that gets half of us burned to death. Now you want to use us as bait for this fucker that won't kill you.

RIPLEY
Yes. That's exactly right. Otherwise it gets all of you just like it got Dillon.

Pause.

RIPLEY
I'm not trying to make it easy on you. This is the choice. You die sitting here on your ass, or maybe you die out there, but at least we take a shot at killing it. And maybe you get even for Dillon and the others. Now, how do you want it?

MORSE
Nice speech.

RIPLEY
I'll say it again. You got a better idea?

A long silence.

MORSE
Fuck it. Let's go for it.

(NOTE: THE FOLLOWING SEQUENCE UP TO THE DEATH OF THE XENOMORPH IS BASED ON THE OLD BAIT AND CHASE STORYBOARDS AND WILL BE AMENDED AS NEW STORYBOARD INFORMATION BECOMES AVAILABLE. UNTIL THEN IT SHOULD BE USED AS A VERY ROUGH GUIDE TO THE NARRATIVE PROGRESSION.)

109 INT. VENT TUNNEL - MORSE

starts to bring two huge electrical connectors together to power the main corridor and doors...

CLOSE - THE HEAVY STEEL ELECTRICAL CONNECTORS

slamming together. Power surges on...
INT. MAIN CORRIDOR - LEAD WORKS

The lights flicker on. Some of the bulbs burn out -- this part of Fury 161 hasn't been used in a while.

TROY

stands waiting in one of the alcoves to activate the piston.

RIPLEY AND AARON

in another alcove, waiting.

RIPLEY

The first time I met up with this thing, it killed my whole crew. And I survived. The next time, it killed a different crew, marines, killed all of them, and I survived.

AARON

I told you before -- I'm stickin' real close.

ANOTHER CORRIDOR - LEAD WORKS - TWO PRISONERS

butting their foreheads into the wall.

JUDE

Let's lunch this thing!

Another PRISONER looks on as though: "yeah, right on."

CORRIDOR - LEAD WORKS

Martin positions himself along the length of the corridor.

Whispering to be quiet to one another. Their "shushing" each other reverberating...

CEILING - LEAD WORKS

Low-angle TRACKING SHOT showing the air vents, the plumbing system, etc.

VINCENT

presses a large button to activate a door.

THE DOOR - CORRIDOR - LEAD WORKS

leaning his head through the jammed door.

VINCENT
I don't know about this shit.

CORRIDOR - LEAD WORKS
A piercing SCREAM echoes frighteningly down the corridor...

KEVIN
carrying a FLARE runs in a panic INTO FRAME.
Stops...

KEVIN'S P.O.V. - THE ALIEN
feeding.

CLOSE - KEVIN
His face registering fear - he calls out to the Alien:

KEVIN
Hey fella! C'mon boy. Over here.
shithead!

CLOSE - THE ALIEN
turns and looks at him malevolently.

CLOSE - KEVIN
who is rooted to the spot for a second, then suddenly takes off running.

THE CORRIDOR - DUTCH ANGLE - P.O.V.
of the Alien, charging after Kevin.
Continuing around corners in the dark passageway.

NEW ANGLE - REVERSE
Kevin in the foreground, TRACKING BACK with him as he runs, eyes wide with fear, arms pumping, still holding the flare.

ALIEN P.O.V. - THE FLEEING PRISONER
Closing in...
Kevin goes through a doorway.
A huge STEEL DOOR SLAMS SHUT in the Alien's face.

OTHER SIDE OF THE DOOR
The thick steel buckles as the Alien CRASHES into it from the other side.
ALCOVE - ALIEN'S SIDE OF CORRIDOR

JUDE becomes visible to the Alien, his flare aloft tauntingly, calls out to the enraged beast:

JUDE
Come and get me, fuckface! Take your best shot!

ALIEN P.O.V.

as it swings around and SEES Jude in a LONG SHOT down the corridor.
It moves very fast onto the wall...
Whips around a corner.
CAMERA CRANES DOWN to REVEAL Jude disappearing through another door.
The Alien rushes towards him, but...

The DOOR SLAMS SHUT in its face.

THE OTHER SIDE OF THE DOOR
Jude gasping, out of breath.

GLASS PANEL - ABOVE JUDE
An Alien TENTACLE smashes through glass...

LOW ANGLE - JUDE
As the ALIEN TENTACLE gropes for him, he scrambles backwards along the wall, trying to evade it -- Screaming bloody murder.

RIPLEY AND AARON
reacting to the screams issuing from somewhere deep in the corridor. The carnage has begun.

TROY - WAITING IN ALCOVE
also reacts to the screams -- his hand near a large button.

DAVID
Being hunted down by the Alien, flare clutched in his hand, a one-way ticket to hell.

ANOTHER SECTION OF THE CORRIDOR - DAVID
appears suddenly out of the darkness, BURNING FLARE held aloft.
He cocks his arm, ready to throw...

THE CEILING
The Alien crawling crab-like on the ceiling --
The BURNING FLARE flies ACROSS THE FRAME, clattering ineffectually to the floor.

ALIEN P.O.V. - UPSIDE DOWN CAMERA

Along the ceiling, now moving fast in the direction of the David.

ALIEN P.O.V. - DAVID

Turning, starting to run --
CAMERA moving in on him, continuing...

CORRIDOR - LEAD WORKS

David running towards the CAMERA, followed by the --

ALIEN

scampering on the ceiling at great speed...

NEW ANGLE - CORRIDOR - NEAR DOOR

David comes racing TOWARDS THE DOOR -- dives through -- jumps BACK INTO THE FRAME and slams his palm against the button, activating the vertically closing door.

THE ALIEN

rushing towards CAMERA, David's feet in the foreground --
the door coming down - too slowly!

As the Beast hits the door at full speed, concussing it, metal buckling.

THE DOOR - LOW ANGLE

still moving down, trying to shut.

An ALIEN TENTACLE extends hideously under the space where the door refuses to close.

CLOSE - DAVID

his face contorted in horror.

DAVID'S P.O.V.

The door as it finally jerks shut -- the Alien tentacle withdraws.
Silence.
Eye of the hurricane?

RIPLEY AND AARON - ANOTHER PART OF THE CORRIDOR

Reactions.
AARON
What the hell are those meatballs doing? All they have to do is run down a corridor.

RIPLEY
Shh.

TROY
Hand on a SWITCH to activate the piston.

MAIN CORRIDOR - LEAD WORKS
Ripley and Aaron step out from their concealed positions to assess what's going on.

DOOR - PLEXIGLASS WINDOW
David looking apprehensively out...
The ALIEN TAIL slithers up quickly out of TOP OF FRAME.

CLOSE - DAVID
His face still pressed against the Plexiglass...

DAVID
Hey! It's in the air...

OTHER SIDE OF THE DOOR
as David, hearing something or realizing something, turns, fearfully:

DAVID
...vent...

THE ALIEN
EXPLODES INTO THE FRAME, striking --

CORRIDOR - LEAD WORKS
REVEAL David being pulled out through a door that didn't close all the way...
Blood rains down.

THE MAIN CORRIDOR - LEAD WORKS
Ripley and Aaron in a position of readiness, waiting...

TROY AT THE PISTON
extremely apprehensive.
131 CORRIDOR - LOW UP ANGLE

Martin and Jude running -- burning flares in their hands, smoke streaming behind them.

The trailing Prisoner slips in the blood and his FEET GO OUT FROM UNDER HIM.
He hits the floor hard on his ass and SLIDES -- reaches down and gets a handful of some gross substance.
Looks in horror at the other Prisoner who has now stopped to see what's happening.

CLOSE - MARTIN AND JUDE

They realize what the substance is: the remains of their fellow Prisoner.
They simultaneously turn and SCREAM.

132 THE MAIN CORRIDOR - LEAD WORKS - RIPLEY - AARON

The SCREAMS reverberate...
After a moment they see the ALIEN tearing by in the background.

133 TROY - AT PISTON

Impatient, starts to pull the switch.

The blast slowly subsides...

RIPELY

Exhausted...
Swinging on the heavy chain -- the GANTRY lurches toward her.

FROM BEHIND RIPELY IN FOREGROUND

Morse reaching out to help her onto the gantry...

OBSERVATION PLATFORM

Bishop II and company watching.

ON THE GANTRY

Dragging herself upright, Ripley grips the railing and glances down at the furnace.
Its cross-like shape blurs, slipping in and out of focus.
Suddenly, she's sick again.
Turning, she sees Bishop II and his group appear below.
Bishop II starts moving towards her.
Gazing upward...
Her voice cuts through the sweltering heat:

RIPELY

Don't come any closer!

BISHOP II

(stopping)
Ripley. Wait.

RIPELY

Stay where you are!

He stands still.
The others move in behind him.
Another wave of nausea overcomes Ripley.
BISHOP II
I just want to help you.

RIPLEY
No more bullshit! I just felt the damn thing move.

Halting, Bishop II watches her step farther out on the gantry. Something horrible hits Ripley in the chest, knocking the wind out of her. Struggling for breath, she never takes her eyes off --

BISHOP II
He gives her a small comforting smile...

BISHOP II
You know who I am?

RIPLEY
Yeah. A droid. Same model as Bishop.

BISHOP II
I'm not an android. I designed it. I'm the prototype. But I'm very human. I was sent here to show you a friendly face -- and to demonstrate to you how important you are to us. Please come down.

RIPLEY
You just want to take it back.

Golic appears from behind a column.

BISHOP II
We want to take you home. We don't care what happens to it. We know what you've been through.

GOLIC
I hate droids.

Bishop II glances over to Golic -- a look of quick contempt.

BISHOP II
Shut up.

RIPLEY
Bullshit. You just want what's inside me.
BISHOP II
I won't lie to you. I know you don't want to be patronized. We do care about it. After all, it's the last one in the universe. And it's a perfect organism. It's structural perfection is matched only by its hostility. We admire its purity.

ON THE GANTRY -

Resolute, she hits the control box.
Slowly, the giant crane starts to move, heading out over the furnace.

BISHOP II
and the rest stand riveted below.
The heat is murderous.

BISHOP II
Ripley, I only have your best interest at heart. We can surgically remove the fetus. You're going to have a long, productive life.

He holds out his hand -- an almost beatific gesture.
Golic now moves very close to Bishop II.
He's totally freaked out.

GOLIC
I hate droids. They're so full of shit.

BISHOP II
(upward, to Ripley)
Trust me.

WHAM!
Golic hits Bishop II in the middle of the head with Dillon's axe.
Bishop II stands there frozen.
Then turns to Golic...
Axe stuck in his head.
No wires.
No milk.
Real blood.

BISHOP II
I am not a DROIDDDDDDDDD!!!!!!

And dies.

RIPLEY
Looking down.
222 CONT. RIPLEY

It's moving.

223 BELOW - TWO OTHER COMPANY MEN

BLAM! BLAM!
One kills Golic instantly with a pulse rifle.
The other starts to examine Bishop II's body...

COMPANY MAN #1
This doesn't change anything, Ripley.
We can still save you. You owe it to
us. You owe it to yourself.

224 RIPLEY

Smiles.

Never! Never!

Then her face distorts in pain.

No!

Her chest bulges.

It's too late!

The BABY QUEEN bursts out!
She catches it!
Ripley holds it, the tiny beast kicking in her hands!!

Too late!

Extends it above her head.
Choking it -- fighting -- killing it --

THE COMPANY MAN
Screams.

COMPANY MAN #1

Nooooo!!!

225 ON THE GANTRY - RIPLEY

Still shaking the BABY QUEEN --
She steps backwards off the platform and disappears into the
raging inferno.
Down.
225 CONT.

Down into the pure white flame.
A moment of ecstasy.
A moment of triumph.

226 MORSE

He stares blankly for a moment.

MORSE
For within each seed there is the
promise of a flower. And within each
death, no matter how small, there is
